About the year 1760 John and Agnes Summers came to S.C.with children John, George,Ann,Margaret and William. They settled near the present site of Cattle Creek Campground in S.C.John married and had a number of children.I do not know any of their names but suspect one was George who had a son Gabriel Robert.Gabriel R. had a son John Adam Summers, my grandfather.His son was Asbury Coke Summers of Columbia,. C. I have a great deal of information about this family but have never proved the father of Gabriel R.,or found the grave of the immigrants,John and Agnes.I have found members of this family in AL and MS aand would be happy to share information.Some allied families are COLLIER,MILLER, FUNCHES. PHILLIPS,LIVINGSTON,JENNINGS,etc.

I have been digging into my notes and have finally found these that I received in the 80's from a genealogy friend in LA.

Jacob and Rebecca Summers, born S.C. listed 1800 census S.C., came to S.C. and were listed 1816 census Pike Co. MS.

I know they had one son Henry Knight Summers who married Rebecca Morris, one daughter Ann Elizabeth who married John Stanford, David, and Jesse, possibly other children.

I have another friend in LA searching the Felder family who is related to his Jacob SUMMERS. I will get her letters out and write her to see if she has any later information.

I really would like to place your John J. Born c1765. My line starts with a John Born 1732 married to Agnes and arriving in S.C. on the ship now from Ireland, bringing George, John, Margaret, Ann, and William. I do not know where they are buried but family legend takes up with the brothers John and George. It says John died leaving a number of children (no names) and the following grand children, Gabriel Robert Summers, my grandfather, Hamilton Miller, Mrs. Rachel Funchess, Oliver, Absolum, and John Collier. It goes on to say that certain of his grandchildren resided in Colleton Co., others moved to AL and MS, and one to FL. I will be looking forward to hearing from you.
